## EFFECTIVE RECIPE.

### Home-made Kidney, Bladder and Rheumatism Medicine for Readers.

Here is a simple home-made mixture as given by an eminent authority on Kidney diseases, who makes the statement that it will relieve almost any case of Kidney trouble if taken before the stage of Bright's disease. He states that such symptoms as lame back, pain in the side, frequent desire to urinate, especially at night; painful and discolored urination, are readily overcome. Here is the recipe. Try it:

Fluid Extract Dandelion, one-half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces. Take a teaspoonful after each meal and at bedtime.

These ingredients are all harmless and easily mixed at home by shaking well in a bottle. This mixture has a peculiar healing and soothing effect upon the entire Kidney and Urinary structure, and often overcomes the worst forms of Rheumatism in just a little while. This mixture is said to remove all blood disorders and cure rheumatism by forcing the kidneys to filter and strain from the blood and system all uric acid and foul, decomposed waste matter, which cause these afflictions. Try it if you aren't well. Save the prescription.

## OUR NEIGHBORS.

W. T. Burton has been appointed postmaster at Ida, Magoffin county, and Miss Mattie McDonald at Bowen, Pike county.

The Rev. Morris referred to is Rev. B. D. Morris, who was pastor of the M. E. Church in Pikeville during 1899 and 1900. He has many friends in the Big Sandy valley.

The two and one-half years old baby boy of Mr. and Mrs. Jacob Morris, of The Seelbach, at Pikeville, broke his leg by jumping off a bed onto the floor. Physicians set the limb, and the little fellow is now getting along nicely.

Olive Hill, Ky., Feb. 13—David Dickson, 21 years old, attempted to jump on a C. & O. freight train at Grabin, this county, this afternoon and fell under the wheels and was killed. His body was cut in two.

The next District Convention of Churches of Christ of Eastern Kentucky will be held at Pikeville June 25 to 27, 1909. The counties in the district are Boyd, Johnson, Pike, Magoffin, Martin, Carter, Greenup, Rowan, Elliott and Lawrence.

Owingsville, Ky., Feb. 16—The Rev. R. T. B. Zimmerman, a prominent minister of the Christian church, died at his home near here of infirmities of age, after a lingering illness of several weeks. He was 79 years old and leaves a wife and to children.

Pikeville, Ky., Feb. 12—The Pikeville Collegiate Institute celebrated the centennial of Lincoln's birth today. The two literary societies joined in giving a Lincoln programme in the chapel of the college building. The public was invited and the chapel would not hold all who came. The afternoon of the day was spent in planting trees on the campus.

Lexington, Ky., Feb. 10—Robert Barber was brought to a local hospital from Bath county today to have both of his eyes removed, he having received injuries through a premature explosion of dynamite ruining the sight of both eyes. His condition is critical and the physicians fear he cannot survive the operation.

Pikeville, Ky., Feb. 15—The revival conducted by Rev. J. G. Ragann, that has just closed here, was productive of much good, there having been 49 conversion and 35 additions to the church. There were 14 candidates for baptism, who were baptized by sprinkling, Sunday morning, and three by immersion Sunday afternoon. Some of them were children.

The Republican delegates which were elected at the precinct meetings held in Floyd county on Saturday, February 6th, for the purpose of nominating the county ticket to be voted for at the regular November election of 1909, met at the Court House in Prestonsburg on Tuesday, February 9th, for that purpose.

The following ticket to fill the said county offices was nominated.

Malone Hall, for County Judge; Walter W. Reynolds, for County Attorney; A. L. Allen, for Circuit Court Clerk; H. Lafferty, for Sheriff; James Harris, for County Court Clerk; Ballard Martin, for Jailer; Robt. Frasure for Supt. of Schools; and Andrew Hamilton for Coroner.

Shelby J. Dish, of Central City, Ky., a prominent Kentucky coal operator, is associated with a number of Louisville capitalists, among them Dr. W. H. Netherland and Vernon J. Blow, in coal and timber lands in Magoffin and Carter counties. Mr. Dish and his Louisville associates are going to develop the property, and will open up mines and saw mills right away. It is also their purpose to build a railroad that will connect their property with the L. & N. and Southern. Thousands of dollars will be spent in the development and improvements to be made, and the mining company will be one of the biggest concerns in Eastern Kentucky.

In the case of A. J. May and others growing out of complaint filed alleging inadequate depot facilities at Prestonsburg, Ky., on the Big Sandy division of the Chesapeake and Ohio Railroad company quite an extensive record was obtained and some able briefs filed by attorneys for both sides. The Railroad Commission is now absorbing these very voluminous documents and will render its decision some time next month. The commission will make an investigation of its facilities complained of before a decision is made in the case. It is said that the citizens of Prestonsburg are asking the C. & O. Railway Company to erect a freight and passenger depot at a cost of several thousand dollars at a spot where it would almost be impossible to construct a "woodshed," the tracks of the company running alongside a high mountain and a very rough river.

A cowardly attempt to mob Rev. Morris pastor of the Long Run Methodist church took place Saturday night in that community and from all reports he was waylaid by a gang of members of the United Brethren church on Long Run, says the Portsmouth Times. As Rev. Morris left his church at 9-30 o'clock Saturday night he was attacked by a mob headed by a well known widow of that vicinity. The gang abused Morris shamefully and pelted him with stones and sticks. The mob stationed itself in

## CATARRHAL ASTHMA.

One Bottle of Peruna.

MR. F. L. BOULLION, 2018 State St., Little Rock, Ark., writes:

"I have been a sufferer with the asthma for about four years, and I tried different kinds of medicine and could not find any relief for it.

"I tried your medicine, bought a bottle of Peruna, and after taking about half of it I must say that I have not had the asthma since. Before I took the medicine I did not know what it was to go to bed without having the asthma."

Systemic Catarrh.

Mr. Samuel Burden, 701 Springfield Ave., Summit, N. J., writes:

"In the fall of 1900 I had repeated attacks of cold, which developed into systemic catarrh.

"It left me very weak and all run down. When I got up in the morning it would take about an hour to get my head and throat clear.

"It also left me with a very weak, all-gone, empty feeling in my stomach, which I thought was dyspepsia, for which I tried different remedies with very little improvement.

"I finally decided to give Peruna a trial. I felt benefited with the first dose. After taking three bottles I was entirely cured. I cannot speak in too high terms of your wonderful discovery, Peruna."

Peruna is manufactured by the Peruna Drug Mfg. Co., Columbus, Ohio. Ask your Druggist for a FREE Peruna Almanac for 1909.

the yard of Phillip Pabst, while the woman in question, called Ben Morris a number of very ugly and uncomplimentary names. Rev. Morris is a splendid minister and the unwarranted assault made upon him has thoroughly aroused the residents of Long Run.

It is a church feud, as the congregations have long been at swords points. It is understood that some sensational developments will follow Saturday night's incident. Rev. Morris has the name of every person in the crowd and intends to prosecute them. A trial church fight is something new for Long Run and Scioto county and the outcome will be watched with interest.
